

## Visit MyMedicare.gov

Register at MyMedicare.gov to get your personalized Medicare information:

- Sign up to get the “Medicare & You” handbook electronically. You won’t get a printed copy if you choose to get it electronically.
- Manage your personal information (like medical conditions, allergies, and implanted devices).
- Manage your personal drug list and pharmacy information.
- Search for, add to, and manage a list of your favorite providers and access quality information about them.
- Track Original Medicare claims and your Part B deductible status.
- View and order copies of your “Medicare Summary Notice” (MSN).

## Use the “Blue Button”

Get access to your personal health information using Medicare’s Blue Button. This feature lets you download 12–36 months of claims information for Part A and Part B and 12 months of claims information for Part D. This information can help you make more informed decisions about your care and can give your health care providers a more complete view of your health history. Visit [MyMedicare.gov](http://MyMedicare.gov) to use the Blue Button today.

Once you’ve used the Blue Button, there are a variety of health applications and services to analyze your health information. Visit [bluebuttonconnector.healthit.gov](http://bluebuttonconnector.healthit.gov) to learn more about these useful tools and how to protect your health information once it’s in your hands.
