

INTEGRITY PHARMACY™

Attention. Expertise. Innovation.

DELIVERING MORE THAN MEDICATION

THE CAREPACK PROVIDES THE FOLLOWING BENEFITS:

- Ensures the right medication at the right time, every time
- Reduces ER visits, hospitalizations, and clinic visits
- Improves quality of life -- people feel better when taking their medications routinely and as prescribed.
- Provides peace of mind for families and clients.
- CAREpack's presorted packages allow medication to be easily taken when on vacation, respite care, or gone for an extended day.
- Is available for all ages and is a safe and time-saving way to administer medications.

Your Prescription for **PEACE OF MIND**

CAREPACK

Integrity Pharmacy provides a 30-day supply of your medications in presorted packages, clearly marked with the date and the time to be taken.

MEDICATION MANAGEMENT

Integrity Pharmacy will call you each month to verify any changes you may have in your prescriptions. Then we will call your physician to request the refills.

CONVENIENCE

Integrity Pharmacy delivers the medications to your home.

TIME

The service eliminates multiple trips to the pharmacy and gives you back the hours you spend on filling a pill planner.

SAFETY

A pharmacist reviews all your medications to screen for drug interactions and reviews your individual CAREpack.

INSURANCE

Integrity Pharmacy works with all prescription insurance plans including Medicare D, Medicaid, and TriCare.

INTERDISCIPLINARY TEAM

The following team of professionals will be assisting in your medication management -- Pharmacist, Case Manager, Registered Nurse and Pharmacy Technician
